About ITVS

Independent Television Service (ITVS) funds and presents award-winning documentaries and dramas on public television, innovative new media projects on the Web, and the weekly series *Independent Lens* on Tuesday nights at 10 P.M on PBS. ITVS is a triumph of public policy created by the vision of media activists, citizens and politicians seeking to foster plurality and diversity in public television. ITVS was established by a historic mandate of Congress to champion independently produced programs that take creative risks, spark public dialogue and serve underserved audiences. Since its inception in 1991, ITVS programs have revitalized the relationship between the public and public television, bringing TV audiences face-to-face with the lives and concerns of their fellow Americans. Contact ITVS at itvs@itvs.org or visit www.itvs.org.

ITVS is funded by the Corporation for Public Broadcasting, a private corporation funded by the American People
